

Janitorial and Sanitation Collection

Remco
a Vikan company

Hygienic | Sanitary | Safe

Remco provides durable, ergonomic and easy-to-clean tools for areas where hygiene and safety are critical. Designed from the bottom-up to suit the needs of the most intense sanitation standards, our shovels, scoops, and scrapers are suited for janitorial work in office buildings, schools and homes. Along with our tools, Remco features Vikan's advanced line of brushes, brooms, and squeegees. Regardless of your operation's size or complexity, Remco has the tools and expertise to solve your janitorial and sanitation needs.

Janitorial and Sanitation Tools

Available from Remco

For over a century, Vikan® has focused on developing the most durable and effective cleaning tools in the world. With Vikan's product development emphasis on efficiency, functionality, and ergonomics, sanitation professionals have access to tools that are precisely suited to the most complex cleaning tasks.

Remco and Vikan provide total-color products to fit the most stringent sanitation standards. Our tools come in a range of 12 colors, making them ideal for integration with color-coded plans.

Our tools are also made from durable, high-quality materials, including polypropylene and stainless steel, and they are also easy to keep clean, since they don't have crevices or sharp angles. When the highest sanitation levels are required, you can trust Remco to have the products you need.
