

Remco

Fishery and Hatchery Facility Sanitation

Hygienic | Sanitary | Safe

Your Partners in Hygiene

Remco provides hygienic, color-coded, FDA-compliant cleaning and material handling tools suited for fishery and hatchery facilities. In addition to its hygienic shovels, scoops, and tubs, Remco features Vikan's advanced line of brushes, brooms, and squeegees. Remco also provides training and support to end users, helping ensure regulatory compliance. Regardless of your operation's size or complexity, Remco has the tools and expertise to help you execute your HACCP plans.
